Adagio. ♩ = 56.

*NOTE*—(a) The words of this song are taken from a long ballad called "Lovely on the water." As the rest of the ballad is not very interesting and, moreover, has very little to do with the first two verses (here given), the editor has felt himself justified in taking these two verses only out of which to make a choral movement.

*NOTE*—(b) "Half closed lips" signifies the short "u" sound, as in the word "but".
