Voice. He is
com . ing, he is com . ing in my throb . bing breast I feel it there is
mu . sic in my blood; And it whispers all day long That my
love un . known comes towards me, Ah my heart he need not steal it, For I

He is

com . ing says my heart, I may raise my eyes and greet him; I may

meet him a - ny mo - ment, Shall I know him when I see And my

heart laughs back the ans - wer; I can tell him when I meet him, For our

eyes will kiss and min - gle ere He speaks a word to me, For our

eyes will kiss and min - gle ere He speaks a word to me.
