There for - get - ing all our sor - row, We will seek a brighter mor - row. Come a -

- way, love, come a - way, love, We will seek a brighter home, Where the

false ones shall not grieve us, Where the proud ones never come.

Come a -

- way, love, come a - way, love, We have nought to stay us here, No kind

friends to say fare - well, love, No pros - - pect bright to cheer. No gay

scenes to glad our hearts, love, All is grief whilst we re - main — Come a -
