# SCHIRMER'S SCHOLASTIC SERIES

"Material for vocal and instrumental Study—from the very easiest to the most difficult."

THIS great Series of Books, devoted as the name implies to works of an educational character, is being magnificently received by musical people all over the country.

The Series embraces only copyrighted works, and contains material covering practically the entire range of instrumental and vocal study.

Many of these works are, and will be, thoroughly original in subject and presentation: while those not strictly novel will always be found superior in point of scope and construction to any existent writings on the same or similar subjects.

New and important works appear regularly; Schirmer's Scholastic Series is rapidly becoming as well known as the world-famous Schirmer's Library.

Several important works previously issued in a different series or character also have been incorporated in this Series.

When ordering ask for Schirmer's Scholastic Series (or S. S. S.), and give only the number.
