Up to her chamber window
A slight wire trellis goes,
And up this Romeo's ladder
Clambers a bold white rose.

I lounge in the ilex shadows,
I see the lady lean
Unclasping her silken girdle,
The curtain folds between.

She smiles on her white rose lover,
She reaches out her hand,
And helps him in at the window,
I see it when I stand.

To her scarlet lips she holds him
And kisses him many a time;
Ah me! 'twas he that won her
Because he dared to climb.
