

“Rain, rain, and sun.”

“RAIN, RAIN, AND SUN.”

Rain, rain, and sun! a rainbow in the sky!
A young man will be wiser by-and-by:
An old man's wit may wander ere he die.

Rain, rain, and sun! a rainbow on the lea!
And truth is this to me, and that to thee;
And truth or clothed or naked let it be.

Rain, sun, and rain! and the free blossom blows;
Sun, rain, and sun! and where is he who knows?
From the great deep to the great deep he goes.
