# SABBATH MELODIES FOR THE FAMILY CIRCLE

Music by Dr. H. T. LESLIE.

This Volume contains Thirty Original Sacred Songs. The Melodies are both pleasing and simple, with a suitable Accompaniment for Pianoforte or Harmonium.

"The music is adapted to its particular purpose with singular good judgment. The tunes are melodious, and sufficiently 'catching' to interest children, while not common-place enough to disgust elders."—*Sunday Times*.

"The composer may congratulate himself on the certainty that his book will add fresh pleasure and enjoyment to many a family circle."—*European Mail*.

"The melodies are full of feeling and simple beauty, are effectively harmonized by an appropriate accompaniment for organ or pianoforte, and each has a short symphony or interlude to separate the various verses."—*Brighton Examiner*.

"The book is nicely brought out, and would form a capital present."—*Musical Standard*.

Handsomely Bound in Cloth, Gilt Edges, 2s.,

## JUVENILE SONGS.

Set to Music by T. CRAMPTON.

"Of nice convenient size for the pianoforte music-holder, prettily bound, with its comic little frontispiece—a group of frogs dancing by moonlight—this volume of juvenile songs is just the thing for merry little boys and girls. . . . All the pieces are cleverly set to music, not one of them beyond the compass of any ordinary little voice, and all of them full of innocent fun."—*Illustrated Times*.

"Children will be delighted with this graceful little offering. . . . The music is just as simple as it should be; and it is happily characteristic of the works."—*Musical Times*.

"The simple and pretty little tunes composed for these 'Juvenile songs,' by Mr. Crampton, are admirable."—*The Choir and Musical Record*.

"A very pleasing volume, admirably suited to the intelligence and feelings of that youthful portion of the public for whose use it is specially destined."—*Illustrated London News*.
