NEW MUSIC-BOOKS

The best set ever issued for self instruction, with the most popular tunes of the day. Arranged progressively, and printed with a remarkably clear and beautiful type, on fine paper.

Winner's Easy System for Violin	75
Containing the Rudiments of Music, with all the necessary instructions for Bowing, Shifting, &c. Also, a great variety of Cotillions, Fancy Dances, Opera Airs, Marches, &c., &c., arranged in a careful and instructive manner, from which the instrument may be learned without the aid of a teacher.	
Winner's Easy System for Accordion	75
One of the best works ever issued for this instrument, containing many favorite songs, with the words, and a very large collection of popular melodies, that are always desirable. Every tune is marked with the figures to indicate the keys, and can be easily understood by a child.	
Winner's Music of the Dance	75
This book is highly recommended; it is one of the best collections of Dances, in every variety, with the steps fully and carefully explained, containing Cotillions, Polka Quadrilles, Lancers, Mazourkas, Fancy Dances, &c., &c., with the figures of the dance correctly described.	
Winner's Easy System for the Flute	75
By this book the art of playing the Flute is made so comprehensive and easy that it requires but very little time to become a good performer. It contains a fine selection of just such melodies as are required to advance and improve the learner.	
Winner's Easy System for the Guitar	75
This is one of the most complete and correct publications ever issued, by which the art of playing this beautiful instrument is rendered so plain as to be learned without the aid of a teacher. It contains a fine variety of instrumental selections, for practice and amusement.	
Winner's Piano Tutor	75
This book will answer for the Melodeon and Cabinet Organ. It is designed for small hands, and all the exercises and melodies are carefully selected with a view of imparting a knowledge of the instrument in a clear and practical manner.	
Winner's Easy System for the Piano or Melodeon each	50
This work is presented as a plain and easy Method or Self-Learner, in form of a catechism, arranged in a straightforward and progressive order, introducing the various musical characters, modes of fingering, Major and Minor Scales, Exercises, &c., in a clear and practical order. The most prominent feature of the work is the choice selection of pretty melodies, particularly adapted to each key, and arranged as easy and interesting exercises. It is an invaluable book for teachers, as the fingering is marked for every melody in a careful and studied manner, most especially adapted to small hands. The most useful and prominent chorals in each key are given in full, by the study of which the learner is enabled to play the proper accompaniment to almost any melody, with great facility and ease. There is nothing omitted that is requisite to make a good and skillful performer and nothing introduced but what is necessary in the practice of the ordinary run of good compositions.	
Winner's Cabinet Organ Tutor	75
This book contains much that is calculated to speedily advance the learner and prove interesting to all beginners. Its contents are arranged progressively, and the various styles of fingering so plainly given that it insures an easy and rapid progress to all who study this fashionable instrument.	
Winner's Melodeon Tutor	75
A good work for learners, containing much that is required for practice, with a good selection of easy melodies, arranged as instructive lessons, of a pleasing character. As a self-instructor it is highly recommended, being very explicit in all the rudimentary matter pertaining to the study of the scale, &c.	
Grobs's New Practical and Progressive Method for the Piano-Forte	2 50
Boards.....	3 00
Cloth.....	3 00
Relying upon the opinions of a large number of eminent teachers who have used "Grobs's New Method," the publishers feel sure that it is the best book in its department.	
It is a work of great value; while it suits the close student, it is strictly "popular," and adapted to pupils of every degree of capacity and intelligence. It is a method which simplifies and connects information, and proceeds by gradation from the easy to the difficult, and which has found more favor among teachers than any previous system. In its preparation, an entirely new plan has been adopted, which needs only a trial to be fully appreciated.	
Hood's New Musical Manual	40
Designed as a text-book for classes or private pupils in vocal or instrumental music. The best hand-book for general information we have ever seen. It treats upon every thing relating to music.
