CON GRATIA ET PRIVILEGIO
Della Illustrissima Signoria di Venetia, & di tutti li Principi
Christiani, come ne i loro priuilegi appare.

In Venetia appresso di Antonio Gardauo. 1559.

ALL'ILLVSTRISSIMO ET ECCELLENTISSIMO
SIGNOR IL SIGNOR DONNO ALFONSO
DA ESTE PRENCIPE DI FERRARA.

ESSENDO la Musica noua di M. Adriano Vuillaert nascosta & sepolta di modo, che alcuno non se ne potea ualere, & il mondo uenuea a restar priuo di cosi bella compositione, V. Eccellenza tene strada quelli anni passati, che non solamente l'ebbe, ma ancora fece, che l'istesso autore la riuide, & corregse molto matatamente, tal che ogni uno della sua infamata uita di uerlarla, altri per pigliarne diletatione, & altri per seruare ne al conporre, essendo che si puo dire, che nell'essere con buon ordine ridizzata, habbia hauuto il principio l'accrescimento, & quasi la perfectione ad un tempo medesimo dall'istesso compositore, & si conosce, che ad ogni sua richiesta fa fencir nell'animo tutti gli affetti, che si propone di muouere, & che è dignissima d'essere imitata. Et perche io so, che per questo rispetto sarà molto caro à V. Eccellenza, ch'essa à publico beneficio sia posta in luce, hauendola io hauuta in dono da lei, ho anchor io uoluto pigliar la fatica di publicarla. Et conoscendo, che uno de maggior Musici concoreuano in questa impresa, mi sono ingegnato di fare, che per quanto comportano le mie deboli forze la stampa, in qualche parte, loro corrisponda, & tanto più uiuamente à ciò mi son mosso essendomi l'uno Patrone, & l'altro Maeistro. Percioche M. Adriano, per esser non par rarissimo in questa arte, ma compiuto nella integrità, con la sua dottrina, & amorevolezza, mi ha legato à se d'obbligo eterno, & dall'altro canto V. Eccellenza, che per natura sua, con la grandezza dell'animo, hà sempre accompagnato la benignità, mi ha raccolto, & anziutto assai piu, che à miei meriti nõ si ricerca, & si psyche ella, oltre alle detrazioni, col suo ottimo giudicio ha così ben conosciuto il ualore di questo diuino spirito, che non uè signore alcuno, che nella intelligenza della Musica la pareggi, come ancora, nelle piu importanti uirtù, è al mondo marauigliosa, io ho uoluto, che non ad altro personaggio, che à lei sia fatta questa dedicatione. la quale è il douere che faccia, che l'opera nõ conosca altro, che V. Eccellenza per superiore, poi che tante circostanze cio richieggono, che non uenire potrebbono essere di uantaggio, & è da tener per fermo, che ella non meno sia per pigliare il patrocinio d'essa opera à sua conseruatione, di quello, che si habbia fatto in darle la uita, essendo che nel tempo, che era si può dire morta, alcuni sentendo diuersi suoi canti, si ne seruirono forte con credere, che il proprio autore non desette mai esser riscatato dalle tenebre. ma come la liberalità di V. Eccellenza non ha ornato il mondo, così ne seguirà tale protectione, che nõ farà piu da dubitare d'oltraggio alcuno, sotto il nome di lei. Nella cui buona gratia humilissimamente mi raccomando, & prego il signor Dio per la sua continua esaltatione & contentezza. Di Ferrara A 15 di Settenbrio. 1558

DI V. ECCELLENZA
