Ped: *

I think of you in the day time,
I dream of you by night,
I wake and would you were here love,
And tears are blinding my sight.
I hear a low breath in the limetree,
The wind is floating thro',
And oh! the night my darling,
Is sighing, sighing for you.

Dein denk' ich mit Herz und Munde,
Und send' dir meinen Blick,
Du schlugst mir die tiefste Wunde,
Nicht Ant wort giebst du zurück.
Nur Seufzer im nachtlichen Winde,
Vom Zwei ein Wink so fern,
Nur kühler Thau der Eide, ja Linde,
Kalt auch vom hohen Stern.

O think not I can forget you;
I could not tho' I would,
I see you in all around me,
The stream, the night, the wood,
The flowers that slumber so gently,
The stars above the blue,
Oh! heaven itself my darling,
Is praying, praying for you.

Glaub' nicht, ich könnt' dich vergessen,
Vertrau' der Liebe Macht,
Will tief in das Herz dich pressen,
Und tragen durch Grabesnacht,
Zu leuchtendem Sternengefinkel,
Wo Liebe vergehet nicht,
Trotz Tod und schaurigem Dunkel, ja Dunkel,
Dich zu des Himmels Licht.
