

# SERENISSIMO CARDINALI A

Thomas de Victoria, Summanus  
incolumitatem precatur

**M**ULTA me, Serenissime Princeps, impulerunt, ut hoc opus nunc denuo conscripsi, tibi dicarem: Primum, quia Augustæ Imperatricis matris tuæ singulari beneficio in eorum sacerdotum illi res sacras procurant, numerum adscitus sum: Deinde, quia cæmonia, ac concentu, quem multarum vocum varietas efficit, te summopere cognouissem, occasionem prætermittendam non putavi, qua aliquid voluptatis varietate vocum, quæ plures efficit harmonias, auribus posses percipere. Accessit pondus tuarum litterarum, quibus mihi significasti tibi gratum futurum, si hoc opus etiam nomine appareret, sicut cætera opera, quæ tuo ædita patrocinio, iam dudum in manibus versantur. Nec solum hæc causæ quæ summi erant momenti, ac deris me incitarunt, ut hoc opusculum in litteris mandare vellem, sed etiam multorum minimum preces, qui à me obnixè contenderunt, ut id temporis, quod mihi ab assiduationibus vacuum reliquum esset, in hoc opus conferrem, quo omnia ea contingerent, quæ ad omnes dies festos, qui per totum annum incidunt, varia vocum harmonias celebrandos spectarent. Quibus ut morem gererem, hoc onus suscepi, & ita omnino explorè curavi. Hoc enim in opere varios vocum concentus, quibus res sanctissimas pro viuis, ac semel pro his, qui ex hac vita emigrarunt, quatuor, quinque, sex, septem, octo, & non vocum harmonia fieri possit, composui, ut ex sonorum varietate, varia etiam mulcerentur suauitate. Quibus adiunxi nonnullos cantus, ac vocum inflexiones, quatuor, quinque, sex, octo, & non vocum varietate summa cum aurium suauitate fierent. Excitabar denique ut id opus aggrederer, propterea quod omnia mea opera tuis accepta fuerunt, ut nullum penè esset, quo hi, qui nunc denuo Musicis studiis uti possint. Quapropter hoc nunc Typis mandare mihi uisum est, in quo omnia, quæ regi atque congesi, quæ reliquis omnibus comprehendebantur, ut ea omnia, quæ sumptis illis libris interiisse uidebantur, hoc uno edito restituantur ad Dei Oportet Virginisq. Beatissimæ gloriam & laudem. Quod si tuo nomine in lucem prodierit, que in hominum manus uenerit, non dubito quin ab omnibus grato ac beneuolentia accipiatur. Romæ, Idib. Nouemb. 1592.
