For Contralto, Mezzo-Soprano, and Soprano Voices.

PRESS OPINIONS.

"The result of years of experience—the Exercises contained in the book are those MADAME PATEY uses for her own daily practice."

"It is refreshing to see, on looking through her book, that MADAME PATEY has always the courage of her opinions, and as she has ample experience to appeal to, and publicly-attested taste and ability, few people will be found to object to the rules she lays down."—*Education*.

"MADAME PATEY'S Tutor can be recommended in the strongest terms to the notice of Teachers."—*Music Trades' Review*.

"MADAME PATEY'S Vocal Tutor will be found a most useful Compendium of Rules for singing. It is suitable for Soprano, Mezzo-Soprano, and Contralto Voices, and contains various Exercises and Scales."—*Illustrated London News*.

"Instruction from so justly eminent a vocalist as MADAME PATEY, cannot fail to be valuable, and we find in her Work a complete epitome of all that it is necessary for Students to know."—*Sporting and Dramatic News*.

"The great merit of MADAME PATEY'S Tutor is its simplicity. The text is brief and to the purpose, says what is to the point, and no more."—*Midland Counties Herald*.

"This eminently practical work on the cultivation of the voice, and the formation of style, is the fruit of experience, and any clearer exposition in words and exercises of thoroughly good and useful Method, there is not in the English language."—*Dundee Advertiser*.
