Josef Suk (1874-1935) was a Czech violinist and composer who entered the Prague Conservatory at the age of eleven and after graduation studied composition with Dvorak, becoming his favourite pupil and in due course his son-in-law. In 1892 with three friends from the Conservatory he founded the Bohemian String Quartet which quickly became and for 30 years remained one of the leading quartets in Europe. The following year he wrote this piano quintet which brought him great success but it was not until 1915 that it was published, with a dedication to Brahms, with some revisions reflecting no doubt his experience as a professional quartet player.

Merton Music is devoted to making rare string chamber music accessible to players at prices which will positively encourage exploration. There are 1100 items in the catalogue from 300 composers, most of whose names you will find in the border. Not all are masterpieces but very few deserve the neglect they have endured because their original publishers allowed them to go out of print. All can be posted to you direct from the publisher, Theo Wyatt, in London at the following standard price per page of music, post-free; a fraction of the price of commercial publications:

U.K.	£0.10
U.S.A	\$0.20
Germany	€0,20
Holland	€0,20
Australia	A\$0.30
Sweden	SEK1.50

The music is supplied in parts ready for the music stand on 100gsm A3 paper in a 160gsm cover. For many of these works separate scores are available.
